Stephanie

We would ask EPA to consider 6/30 if your team could be available then.

If that date cannot be accommodated we would like to lock in 7/25.

Thx

Unfortunately no. Due to leave schedules, the 25th is the first date key team members are available.

Hi Bruce,

It doesn't look like July 11 or 12 will work for everyone. However, everyone is available the afternoon of Monday, July 25th. Please let me know if that day works and I will get on everyone's calendars.

Thanks Bruce.

I will try and get you a response on presentation date by noon today. Does the morning of July 12th work if people are unavailable on July 11th?

Stephanie

I am Allocation Coordinating Counsel for the Portland Harbor Superfund Site Common Interest Group.

Per the below thread, we had been coordinating with Lori Cora on a new date for an in person EPA presentation of the Proposed Plan to the PCI Group that takes into account the announced June 8 issuance date.

As indicated below, we have proposed July 11, in Portland. (We would provide the space.)

When I followed up with Lori below to see if she had vetted and been able to confirm that date with EPA's team, I received her bounce back indicating that she will be out until June 15 and suggesting that we contact you.

We would like to lock in that date as soon as possible so that we can firm up the room arrangements and our participants can make travel plans.

As noted below, our Executive Committee is meeting today and would like to lock in that date at their meeting - if at all possible we would greatly appreciate your confirming by noon today that July 11 will work for the Agency.

Thanks much - feel free to call if you would like to discuss.

Lori

Sorry to be a nudge, but our Executive Committee is meeting today and we would like to lock in the July 11 date for an EPA presentation to the Group if it works for the Agency.

If possible could you let us know before noon PT today?

Thanks,

Lori

We have been looking at dates and it appears that the preferred option (when a room is available) for a presentation of the Proposed Plan by EPA to the PCI Group is Monday July 11, 2016.

Will that date work for the Agency?

Thx

Hello, Bruce. See below for EPA's announcement of the Proposed Plan publication date and comment period start. Also, be aware that its likely that first information meeting/open house and public meeting held to take public comments will occur the third week of June when the PCI usually meets.

Please provide me the date of your scheduled June meeting and we will see if we can work with it for a presentation of the PP. Thanks.
